

Privacy Policy – Essentials

Effective Date: October 24, 2025

Owner: Levi Maiwald

1. Introduction

Your privacy is important to us. This Privacy Policy explains what information Essentials collects, how it is used, and your rights related to that information.

2. Information We Collect

a. Automatically Collected Data: We may collect Discord User IDs, Server IDs, command usage data, and server configuration data for bot operation. b. No Personal Data: Essentials does not collect personal information like real names, emails, or passwords.

3. How We Use Information

Collected data is used to provide bot functionality, maintain configurations, monitor technical issues, and prevent misuse. We never sell or share user data for marketing.

4. Data Retention

Data is stored only as long as required for functionality. Temporary data is deleted automatically. Configuration data is retained until reset or bot removal. Users can request data deletion at any time.

5. Data Sharing

Data may be shared only with Discord for API operations or when legally required. No third-party marketing or data brokering occurs.

6. Data Security

We use reasonable security measures to protect data, though no system can be completely secure.

7. Children's Privacy

Essentials is only for users who meet Discord's minimum age requirements. We do not knowingly collect data from minors.

8. User Rights

You may request access to or deletion of your data by contacting Levi Maiwald – voidlesh.xyz@gmail.com. Removing the bot also deletes all related data.

9. International Data Transfers

Essentials may operate on servers located in different regions. By using the bot, you consent to cross-border data transfer and processing.

10. Changes to the Policy

We may update this Privacy Policy periodically. Continued use of the bot after updates constitutes acceptance of the revised policy.
